

SUPPORT THE HUNGER STRIKERS

CHILE'S 2,500 DISAPPEARED PRISONERS : WHERE ARE THEY ??

WE WANT TO KNOW

We are a group of people who have been on hunger strike since Saturday 8th September in Coventry.

We are supporting hunger strikes by relatives of disappeared prisoners in Chile, and are part of a world wide movement, of over 50 hunger strikes in most major cities.

WHO ARE THE DISAPPEARED ??

Since the military coup in Chile , in 1973, more than 2,500 people have "disappeared. They have been kidnapped by the security forces who then deny all knowledge of their prisoners. Some have been seen since in torture centres. Some mutilated bodies have been found. But the Chilean authorities say that they do not exist.

THE RELATIVES

The families of these prisoners have tried to find out where their loved ones are and what has happened to them. They have met with no response from the government. The Church, the United Nations, and governments such as the British who have citizens who have disappeared" have also tried. But the dictatorship remains indifferent to the pleas of justice or humanity.

Finally, the relatives have been driven to this desperate action : they have been on indefinite hunger strike since Monday 4th September, all over Chile. They have met with wide support, inside and outside Chile.
