Dear *Sw*LOSS OF NATIONALITY OF CUT LEADERS

We have heard with dismay of a further attack on the Chilean Trade Union movement by the Chilean Junta who have removed Chilean nationality from three CUT leaders (named below) who are in exile:-

Luis Meneses

CUT General Secretary

Humberto Elgueta

CUT General Council

Ernesto Araneda

CUT Ex General Council

We wish to make a strong protest against this outrage and ask you to take any action possible to see that Chilean nationality is restored to the people concerned.

*Sincerely
Jack Jones*

General Secretary
